FOR IMMEDIATE RELEASE

Closures on the Foothill Freeway (Interstate 210)

Los Angeles - The California Department of Transportation (Caltrans) will intermittently close one lane along the east- and westbound I-210 between the Dunsmore Avenue undercrossing and North Los Robles Avenue overcrossing starting Monday, June 1 through Friday, June 5, each night from 7 p.m. to 6 a.m. Scheduled closures are subject to change and/or cancellation.

June 1 through June 5 **Westbound I-210**

- Lincoln Avenue/Howard Street undercrossing to Dunsmore Avenue undercrossing – Saw cutting the median barrier, setting k-rail.

These nighttime closures are required to provide a safe work zone for construction crews to prepare the median barrier for removal.

The contractor for this \$148.5 M project is Flatiron West, Inc., Santa Fe Springs, California. Local businesses, motorists and residents may experience traffic delays, noise and vibrations from construction activities. Construction signs and changeable message signs will be in place. Motorists should anticipate delays, plan ahead and use alternate routes. Caltrans appreciates your patience while we work to improve Interstate 210.
